Re: Annual Verification Notice of Approved Tuition Rate (Increase) for JJBIHL Certificate, Associate, Bachelor, Masters, (Special Masters), Doctorate and PhD Degree Programs of Study and annual graduation fee, **effective June 1st, 2024.**

Attention: JJBIHL Faculty, Staff, Presently Enrolled Students, Alumni, Perspective New Students, and Returning Students,

At the regular scheduled meeting of the Board of Directors for Jehovah Jireh Bible Institute of Higher Learning held on **October 1, 2023, in Alexander City, AL.** The JJBIHL Board of Directors by unanimous vote approved the tuition rate (increase) below for certificate and degree programs, and an annual graduation fee. Jehovah Jireh Bible Institute of Higher Learning deferred any tuition rate increases due to COVID-19, 2020. JJBIHL institution has not increased tuition since 2017, for (Seven Years). JJBIHL continues to operate at the highest level and its alumni have been afforded the greatest opportunities for success with a JJBIHL certificate or degree from our accredited institution, programmatic and operational. Due to the rising cost of inflation, JJBIHL's cooperative, voluntary, and collaborative relationships, with postsecondary regulatory agencies, accreditations, and educational organizations, an increase is necessary for the institution to continue to offer high quality courses and degree programs with rigor, and function at the highest level academically and administratively, based upon national educational standards. The new tuition rates and annual graduation fee for all faculty, staff, alumni, perspective new students, and any returning students, will start June 1st 2024.

FYI: Students that are fully enrolled at JJBIHL before June 1st, 2024, will remain on the present tuition rate until they discontinue their studies with the institution, are withdrawn from the institution, become inactive based on academic performance, do not complete annual orientation and registration requirements, and meet all financial obligations to JJBIHL institution.

Best Regards,

Jaminson D. Smith, PhD – GVBM
