CANDIDATE NAME:

Title of Research Topic: _____

- (a) Chapter I
- (b) Chapter II
- (c) Chapter III
- (d) Chapter IV

Name _____ Date: _____

The dissertation title must be an appropriate action research project. It should be about an unfamiliar topic that the student wishes to implement within the church, community, or business. The paper should reflect change or service in ministry and the real world. **(Compete and return this doctoral research form with all other required documents)**

Any tuition adjustment will have to be paid in full for students to complete course requirements and dissertation work. Student(s) must complete all required courses, examinations, practicums, Dissertations and have tuition and fees paid in full to graduate from JJBIHL. JJBIHL enforces their non-refundable or reimbursement policy whether the student withdraws, fails to complete academic requirements, or the Research Doctoral Committee does not approve the dissertation.

All doctoral papers must follow the established APA writing style utilizing APA 7th Edition Manual and the Purdue University OWL. All papers must have written citations that meet the state and national educational research standards.

If the student's academic work is inadequate for the doctoral-level program or fails to meet all the deadlines for submitting course work, he or she can be withdrawn from the doctoral program at any time. The doctoral program is a three-year program. If approved by the Research Doctoral Committee, students can request an additional two years. New courses may be added or substituted during the academic year.

Signature is required as a form of academic acknowledgment and understanding by anyone enrolling into JJBIHL's doctoral degree program of study.

By signing this document, the student understands that all pre-application requirements must be met, including the pre-interview. However, completing all required information does not guarantee acceptance into the JJBIHL doctoral program.
