

# JEHOVAH JIREH BIBLE INSTITUTE HIGHER LEARNING

## 5 Year Strategic Plan 2025 - 2030

Goal 1: Continued development of online learning with proper oversight utilizing AI

Goal 2: Launch new website landing page and redevelopment of a brand new website

Goal 3: Restructuring Onsite Learning Main Campus and Hybrid Learning Centers

Component A: JJBHL Main Campus will offer 90% of onsite learning and 100% of Online Learning

Component B: JJBHL will transition from Learning Centers to Hybrid Learning (Hybrid Learning allows JJBHL to offer classes, orientations, seminars, workshops, group sessions, study sessions and work sessions anywhere, anytime, anyplace in the world) (Physical or Via Satellite Video Conferencing)

Goal 4: Promote enrollment through website, social media, alumni, staff, faculty, deans, memorabilia, event days and individual referral fee given when student fully enroll in JJBHL.

**Note: \*(There will be no referral fee given for any student enrolled in the School Choice Program)\***

Goal 5: JJBHL will build a stronger partnership with emergency management agencies and private certified security agencies for public health and safety
