

PRINCETON

Princeton High School International participates in the ASVAB (CEP) Career Exploration Program with the U.S. Military. The ASVAB (CEP) Program empower students nationwide to discover their strengths, interest and map out their postsecondary and career field choice plans that will work for them.

Princeton High School International is designed to give every person a second chance to earn a high school diploma to qualify for the military, have an opportunity to go to college and enter into the workforce. Princeton High School Int'l encourages all of its students to take the ACT/ SAT and ASVAB for college preparation and career recognition to enter into certain vocations immediately after earning their high school diploma. Princeton is a great place to be for students from all walks of life.
